

HUMAN RIGHTS DEVELOPMENTS IN A WEEK

28 October- 3 November 2024

Human Rights are inherent to all human beings, regardless of the nationality, place of residence, sex, national or ethnic origin, color, religion, language or any other status without discrimination. These rights are all universal, inalienable, interrelated, interdependent and indivisible.

The articles shared in this brief are the liability of their respective news outlets and do not reflect the views of CLDH.

[Human Rights Watch: Syrians Fleeing Lebanon Risk Repression Upon Return](#)

Syrians fleeing violence in Lebanon face risks of repression and persecution by the Syrian government upon return, including enforced disappearance, torture, and death in detention, Human Rights Watch said on October 30, 2024. Since late September 2024, intensified Israeli airstrikes in Lebanon have compelled hundreds of thousands of Syrians to flee back to Syria, with strikes killing at least 2,710 people, including at least [207 Syrians](#), according to the Syrian Observatory for Human Rights (SOHR).

[Israel has damaged or destroyed nearly a quarter of buildings in Lebanon's south](#)

Nearly a quarter of all buildings in 25 Lebanese municipalities near the Israeli border had been damaged or destroyed as of Saturday, according to an analysis of satellite data by The Washington Post, published on October 31, 2024, – illustrating the far-reaching toll of Israel's land and air war.

Across the borderlands, at least 5,868 buildings have been damaged or destroyed, including nearly half of structures in the two hardest-hit areas, Ayta al-Shab and Kfar Kila. The vast majority of the damage – almost 80 percent – has occurred since Oct. 2, the day after Israel launched its ground invasion.

[Israeli strikes in southern Lebanon kill six medics](#)

At least [six health workers](#) have been killed in Israeli attacks in southern Lebanon as Israel has bombarded areas around the ancient eastern Lebanese city of Baalbek for a second day after issuing forced evacuation orders, according to a news report by Al Jazeera released on October 31, 2024.

[UN peacekeeping mission in south Lebanon targeted 30 times in October](#)

The United Nations Interim Force in Lebanon (UNIFIL) has recorded more than 30 incidents in October resulting in property damage or injury to its soldiers, amid Israel's repeated calls on peacekeepers to abandon their positions, according to a news report released by Al Jazeera on October 31, 2024.

Of the 30 incidents this month, "about 20 of those we could attribute to [Israeli military] fire or actions, with seven being clearly deliberate," UNIFIL's spokesman Andrea Tenenti told a news conference on Wednesday.

[Israel has killed one child a day in Lebanon this month, UN says](#)

Unicef, the United Nations children's agency, said that Israeli attacks have killed at least [one](#) child a day in Lebanon over the past month, according to a news report by Middle East Eye released on October 31, 2024.

"Since October 4th of this year, at least one child has been killed and 10 injured daily," Unicef said, adding that "the ongoing war in Lebanon is upending children's lives, inflicting severe physical wounds and deep emotional scars".

At least 166 children have been killed and 1,168 have been wounded in Israeli attacks on Lebanon since October 2023, according to the Lebanese health ministry.

Thousands flee following Israel's evacuation orders in south, east Lebanon

Thousands from the historic Lebanese city of Baalbek and neighboring towns fled their homes on Thursday after Israel's latest evacuation orders, turning the roads to nearby Deir al-Ahmar into a "parking lot", according to a news report by France 24 issued on November 1, 2024. The evacuation order covered areas throughout southern and eastern Lebanon, as Israel's most recent bombing campaign on Baalbek and the coastal town of Tyre entered its second consecutive day.

Tents of over 70 displaced people were destroyed or removed by security forces, at Ramlet al-Baida in Beirut

The tents of over 70 internally displaced people were destroyed or removed by security forces, at Ramlet al-Baida in Beirut, according to a news report by Megaphone News released on November 1, 2024. Meanwhile, the Lebanese Internal Security Forces released a statement on X stating that: "The Internal Security Forces removed the remaining tents on the Ramlet al-Baida Corniche after securing alternative shelters for the displaced."

Saturday and Sunday
2 and 3 November

One killed and 15 wounded in the Israeli raid on Semaan Gallery

The Public Health Emergency Operations Center issued a statement on X on November 2, 2024, announcing that the Israeli raid on Gallery Semaan resulted in the final death toll of one person and the injury of fifteen people, six of whom required hospitalization for treatment.

Israel abducts alleged Lebanese citizen in northern Lebanon coastal raid

Video shows the moment Israeli forces abduct a Lebanese man from a town north of Beirut during an unprecedented coastal raid, taking him away on speed boats, according to a news report by Al Jazeera released on November 3, 2024. Israel says he was a senior Hezbollah member, but the Lebanese government and his family say he's a civilian sea captain.

Beirut Municipality evicts Internally Displaced People from Horsh Beirut

The Beirut Municipality gave Lebanese displaced people in Horsh Beirut one day to move to Karantina. As for the non-Lebanese, the municipality evicted them from the park without providing any other shelter, according to a news report by Megaphone News published on November 3, 2024.

REPORTING A VIOLATION OF HUMAN RIGHTS TO CLDH

If you wish to report an incident that may potentially constitute a violation of human rights, kindly send an email to the following address: [**violations@cldh-lebanon.org**](mailto:violations@cldh-lebanon.org)

You can also report an incident anonymously through our [**website**](#).

When making a report, please ensure to include the following information:

- **WHERE:** City/village, governorate, additional details (e.g. what prison)
- **WHAT:** Nature of the violation
- **HOW:** A narrative description of what happened
- **WHEN:** Date of the episode (at least the year, if day and month are unknown)
- **TO WHOM:** Information regarding the victim (name, nationality, gender, date of birth, city of origin, phone number). Only share this information with the consent of the person.
- **WHO** is the person reporting (name, phone number) and how were they identified (e.g., victim him/herself, family member, eyewitness, journalist, humanitarian worker...)

The information referred will remain completely private. It will be fact-checked and registered into CLDH's internal system. No action will be undertaken without the explicit and written consent of the reporter.
